The Passenger Act, 1882—District of the City of New York, Port of New York.

I, Albion Ritchie Master of the S.S. State of Maryland do solemnly, sincerely, and truly declare that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board of the said Steamer at Flagm. Lane from which port said Steamer has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates, and cause of death, and the names and ages of those who died; also, of the pieces of baggage of each, also a true statement, so far as can be ascertained, with reference to the intention of each alien passenger, as to a protracted sojourn in this country.

Sworn to this

Subscribed and sworn to before me this 15th day of August 1882 at Flagm. Lane in the County of Queens City and State of New York by the said Albion Ritchie Master, from Flagm. Lane burthen 1575 tons.

District of the City of New York, Port of New York

I, Robert Leitch Master of the S.S. City of Berlin do solemnly, sincerely and truly swear that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a true and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement, so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country.

Sworn to this 6 Aug. 1884 before me E. W. M. List or Manifest of ALL THE PASSENGERS taken on board the S.S. City of Berlin whereof Leitch is Master, from Liverpool burthen 2956

I, Henry Parsell

Master of the S.S. Baltic

do solemnly, sincerely and truly

that the following List or Manifest, subscribed by me, and now delivered by me to the Collector of the Customs of the Collection District of the City of New York, is a full and perfect list of all the passengers taken on board the said vessel at Liverpool from which port said vessel has now arrived; and that on said list is truly designated the age, the sex, and the calling of each of said passengers, the location of the compartment or space occupied by each during the passage, the country of citizenship of each, and also the destination or location intended by each; and that said List or Manifest truly sets forth the number of said passengers who have died on said voyage, and the dates and causes of death, and the names and ages of those who died; also of the pieces of baggage of each; also a true statement so far as it can be ascertained, with reference to the intention of each alien passenger as to a protracted sojourn in this country. So help me God.
